## [Best Free Music Download Software For Windows 7](#)

The screenshot displays the PediaMonkey music player interface. The main window shows a list of songs with columns for Title, Artist, Tracks, Album, Date, Genre, Rating, Length, Playlist, and Last Played. The current song is 'KC' by 'matt pond PA' from the album 'Emblems'. The playback controls at the bottom show the song is playing, with a progress bar and volume control. The interface is dark-themed with a sidebar on the left for navigation.
