About This Game

Rotation is a top-down shooter where endless waves of alien monsters charge at you. The goal is to stop the onslaught on each of the planets and make your way home.

You play as an astronaut starting out with a pistol. You unlock more guns and talents the further you make it and you can find useful items out in the world. You must increase your strength and conserve your resources because the game will only become harder as time goes on.

- Spherical maps
- 20+ types of enemies with progressively harder abilities
- 16 different firearm types
- Abilities such as healing, traps and turrets
- Equipment such as helmets, backpacks and melee weapons
- Choose talents in between maps

-
- Short matches with high replay-ability
 - See how long you can make it with your character build
